

Awareness Programme in Cyber Security

■ About YCMOU

- The Yashwantrao Chavan Maharashtra Open University (YCMOU) was established on 1 July, 1989 through Act XX of 1989 of the Maharashtra State Legislature.
- It is recognized by the University Grants Commission under Section 12B as well as the Distance Education Council, New Delhi. Hence, the diplomas and degrees offered by the university are considered at par with those offered by other conventional universities.
- The academic programmes offered by the university span the full range from the Certificate to the Post-graduate level and encompass diverse academic disciplines.
- These programmes are carried to the students through an extensive network of over 3,500 programmewise Study Centres and 10 Regional Centres - 9 in Maharashtra and 1 in Goa.
- Nearly 3,50,000 students register in this university annually and so far, 26 lakh students have benefited from this university.
- YCMOU has been honoured with the prestigious 'Award for Institutional Excellence in Distance Education' from the Commonwealth of Learning, Canada and is listed among the 'mega open universities' of the world.
- 'Knowledge to Every Home is the motto of this university and its goal is to become a mass varsity'.
